

## Regulations for Golf Cart Usage

- All carts must have the decal issued by the management company.
- The decal must be prominently displayed.
- All riders must be in a seated position, so riders must not exceed seating capacity.
- No driving after dark unless the golf cart has functioning lights.
- Place reflective devices on rear of golf carts for better visibility at night.
- Follow all driving rules (i.e. stay on the right side of the road, stop for stop signs, follow speed limits).
- Pull over to the side of the road for oncoming cars.
- Drive on the paved road only; do not cross yards or through wooded paths and come back onto the road.
- No reckless driving (i.e. doing doughnuts, driving in the middle of the road, talking on cell phone).
- All problems should be reported directly to homeowners. Call CAM for the identity of owner.
